Dedication

Left: Mr. Thomas trying to hide from our photographer. Bottom: Mr. Thomas and Dan shooting the breeze.

Mr. J.C. Thomas
A ton of love, a million smiles,
A lot of friendship, and a mile wide smile.
He is our friend, our ally,
And sometimes our cohort.
We dedicate this annual to him
With much love and appreciation.

Today is made for tomorrows, as yesterdays were made for today. As our trade students graduate, we hope their yesterdays are filled with happy memories and that their tomorrows are hopeful visions. You'll leave behind many friends, only to make new ones. Good luck from Rowan Tech in your pursuit of life.

Miss Merry Christmas

On Nov. 20, Miss Lillie Barnhardt was crowned Christmas Queen by SGA president Tom Washam. Lillie was elected by the student body. She ran against eleven other girls.

Mr. And Miss Personality

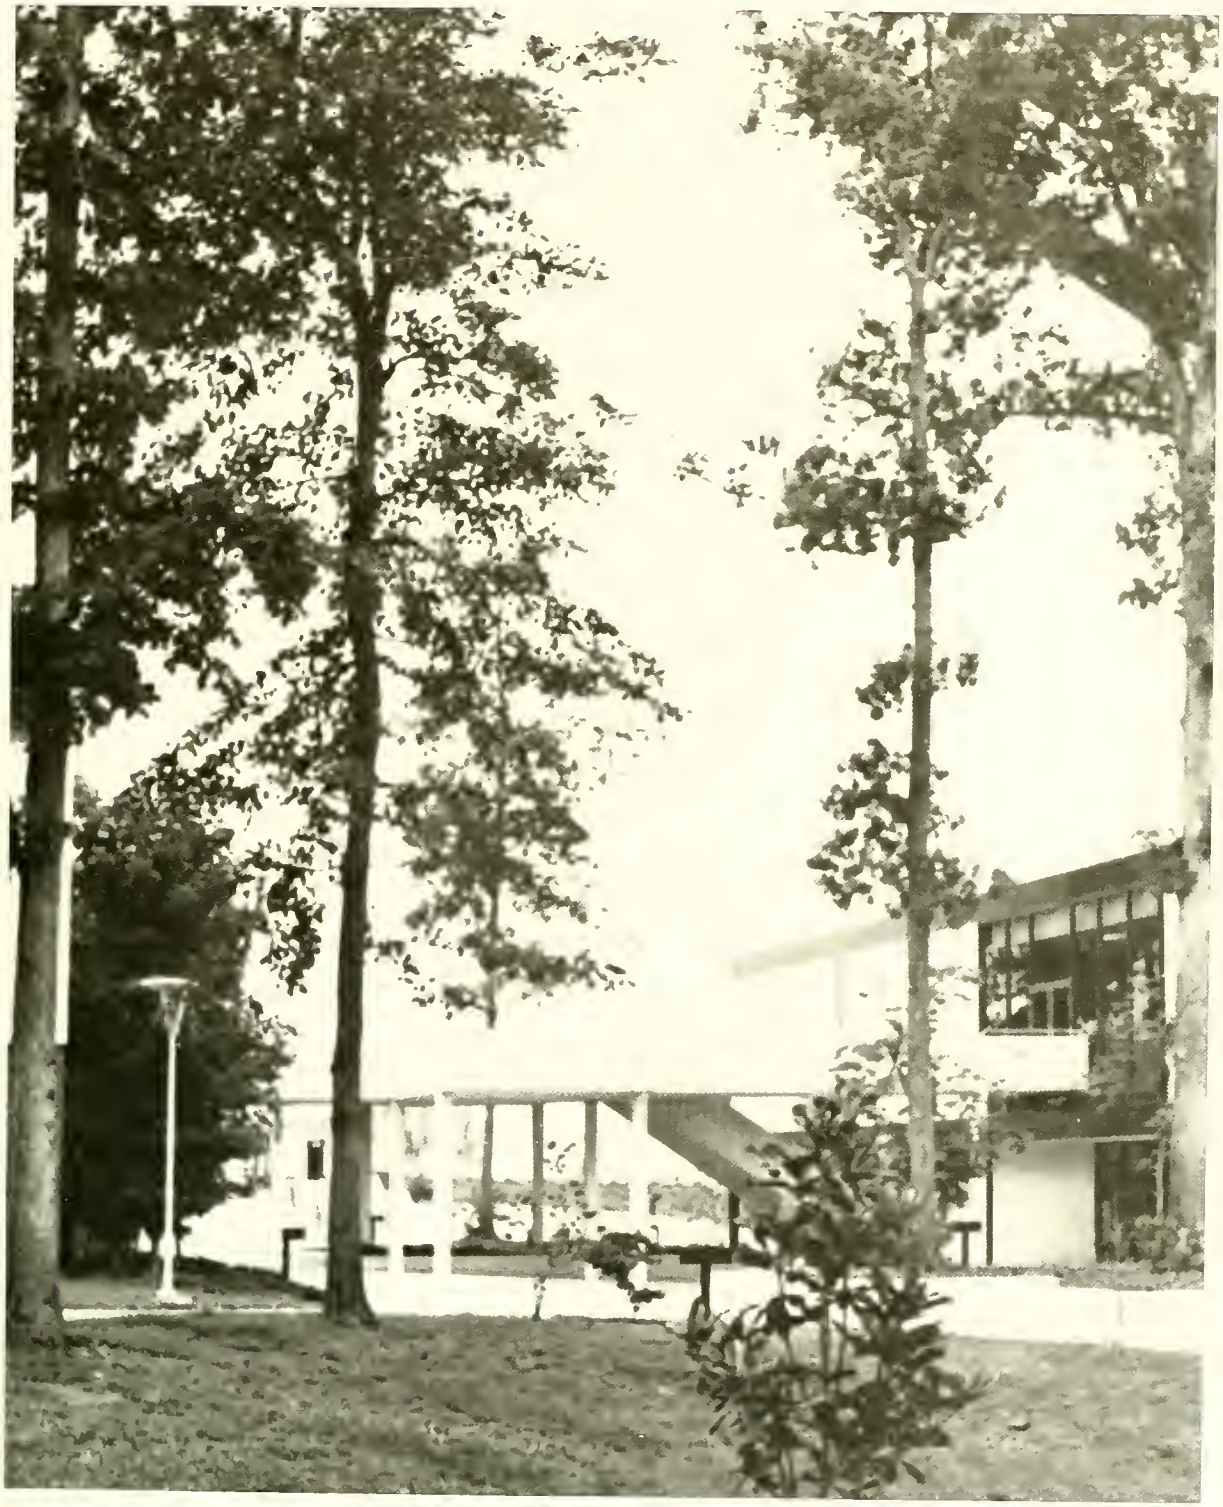
On February 12, Tom Washam and Alice Devendorf were elected Mr. and Miss Personality by the student body. They were elected for the school year 1976-77.

Many Faces At

Rowan Tech

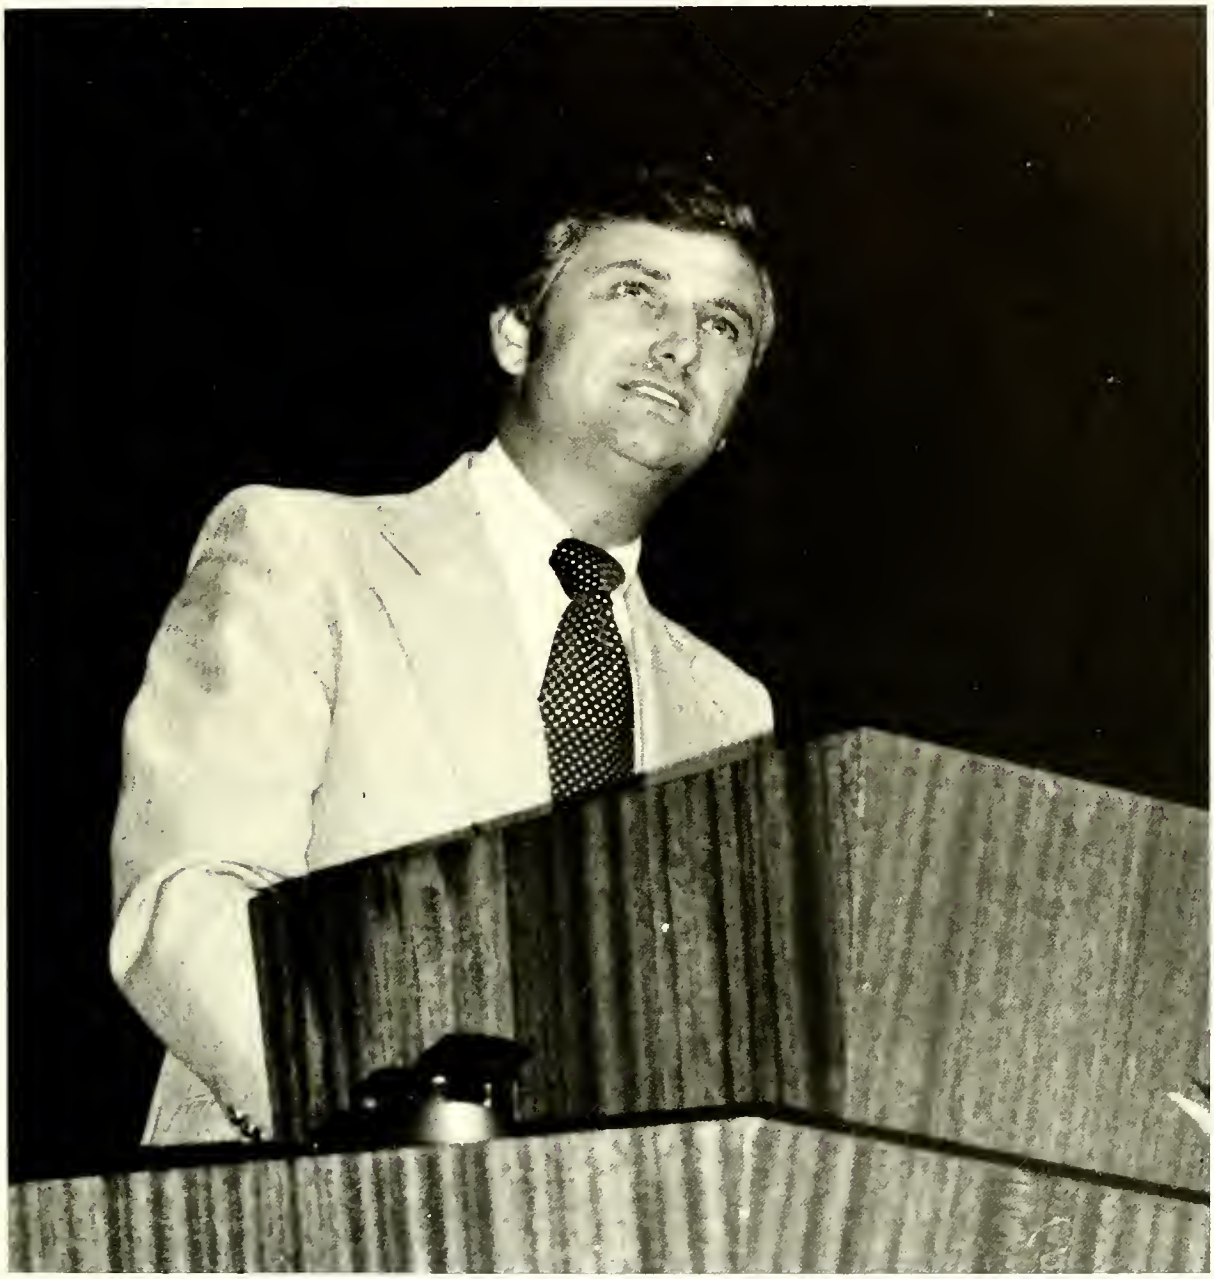
Rowan Tech

Opens Doors



Graduation
1977

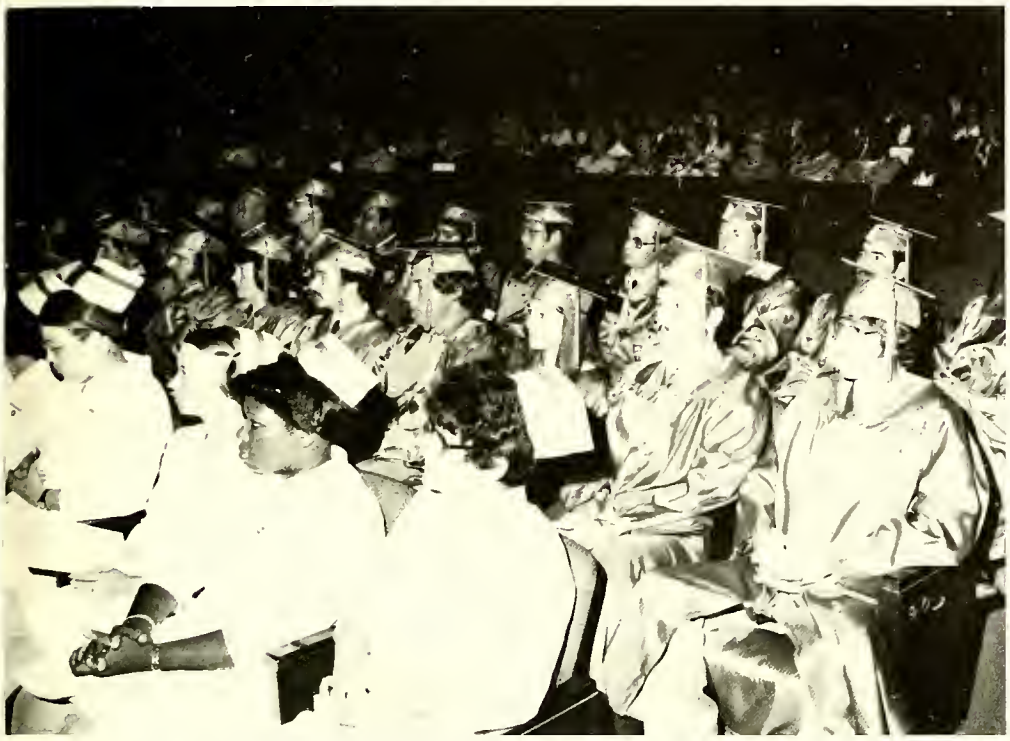
On Thursday, September 22, graduation exercises for the class of 1977 were held at the Keppel Auditorium in Salisbury. Almost three hundred students received diplomas or Associate Degrees in trade and technical programs. A reception was held in the Crystal Lounge immediately following the exercises. Below: Dr. Richard L. Brownell, RTI's new president, welcomes guests.



Dr. Thomas E. Corts, President, Wingate College, speaks to the graduating class.

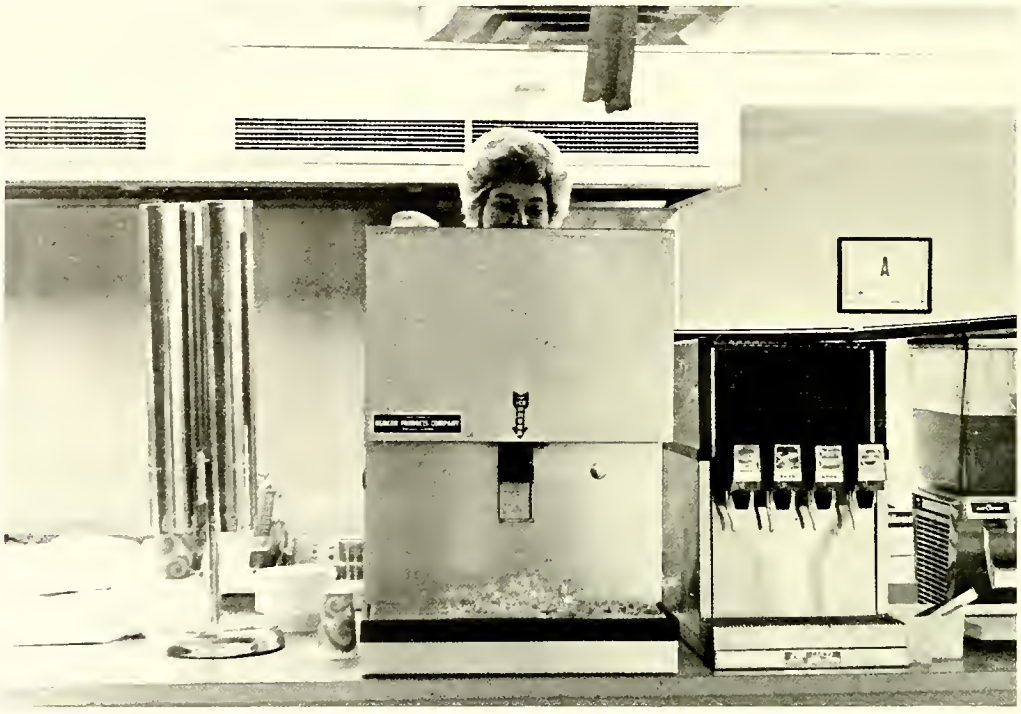
Students line up to walk across the stage and receive their degrees.

Debbie Watkins receives the Outstanding Student Award for the Executive Secretarial Science curriculum. Dr. Brownell presented the award.



Graduating students nervously await their time to walk across the stage.

A happy smile ends the year's hard work in Practical Nurse Education.



A

Dedication Of Buildings

500 and 600.

On September 12, 1977, the Board of Directors dedicated two buildings to Rowan Tech. We are very proud of these buildings. They house the new Student Center, Game Room, Student Services, the Health Occupations classrooms, the Day Care Center, labs and other assorted classrooms. The new Learning Resource Center is housed in the upper level of Building 500. The new buildings are a center of attraction on campus and are frequented by everyone.
